PENNYMAC LOAN SERVICES, LLC

PLAINTIFF

v.

CIVIL ACTION NO. 2:19-cv-193-KS-MTP

SITCOMM ARBITRATION ASSOCIATION, ET AL.

DEFENDANTS

ORDER

THIS MATTER is before the Court on the Motion to Intervene [37] filed by “Eeon fka Brett Jones.” Having considered the record and the applicable law, the Court finds that the Motion should be denied.

On December 11, 2019, Plaintiff PennyMac Loan Services, LLC filed this action. See Complaint [1]. Plaintiff alleges that Defendant Sitcomm Arbitration Association (“Sittcomm”) is an illegitimate arbitration company.¹ Plaintiff specifically alleges that:

Sitcomm is a sham arbitration organization that uses the guise of legitimacy to market itself as an authorized and legitimate arbitration company to attract paying customers and collect fees. After Sitcomm extracts an arbitration ‘fee’ from these customers, Sitcomm then issues fake exorbitant final arbitration awards against various entities, despite no arbitration hearing having ever been held, no arbitration provision existing that permits the parties to arbitrate their claims, and without proper notice or an opportunity for any party to be heard.

See [1] at 2.

Plaintiff names Sitcomm, Mark Moffett, Sandra Goulette, Ronnie Kahapea, Marck Johnson, Kirk Gibbs, and Alaric Scott as Defendants. Plaintiff alleges that Alaric Scott is the president of Innovated, Sandra Goulette is a director of Sitcomm, and Mark Moffett and Kirk Gibbs are arbitrators with Sitcomm. Plaintiff also alleges that Ronnie Kahapea and Mark

¹ According to Plaintiff, Sitcomm is a trade name registered to Innovated Holdings, Inc. (“Innovated”).

What happened to Judge Keith Starett?
Is Michael T. Park Jewish?

I do not say, I believe, I say I know.
Penny Mac is a fraud and all institutions
on American soil which are banking in the
manner which Penny Mac chooses to do as FRAUD.
Fraud is the issue, "not who," is declared eligible
to speak or talk before a Court. What Conspiracy?
For what reason? Are you saying no vice exists with PM?
Penny Mac claims to be a "Servicer," claims to be
a "debt collector," & claims to be "a bank."
This fraudulent scheme of using the credit
of the borrower to enrich themselves is the
issue, and having NEVER loaned any money at
any time but has only provided credit is the
Fraud. If Penny Mac can offer Credit so can
any other Party, period. This is the issue!
And if the Court does not know, or believes, or
acknowledges this Fraud perhaps the Court should
be investigated. On all these filings I notice one
important theme / fact / or idea. The Bank does
not write its policies; it hides behind the notion
that attorneys have done so. And these same
attorneys are in Court defending what they wrote
on behalf of the Bank.

So the Banker NEVER APPEARS.
This is magic. It is high time Americans
know the story about this ancient CRAFT of
evil doers and the party that protects them.
In America, slavery is REAL. In America
slavery is real and pedophilia and the debauching
of God's Law, and society hangs in the balance.
Secretly all this covorting is done by Jews a
special branch of white-folks destroying the
world. They are sometimes referred to as "Zionists."
And no this is not a broad sweeping brush of the
Jewish people, but a dangerous faction.
And one should know the difference.
On a persons note my education did begin on
Youtube but not with Brett Jones whoever this man is,
is a mystery to me! I am thankful for all people in the
internet community who can provide immense knowledge
via the Internet/ Podcast.

Sincerely,
Me.
